

SEND CONFERENCE

Attachment and Emotional Development in the Classroom

Saturday 14 October 2017, 09:30 – 15:30

The conference will launch the new publication *'Attachment and Emotional Development in the Classroom: theory and practice'* (Jessica Kingsley Publishing).

'Attachment and Emotional Development in the Classroom: theory and practice' is aimed at new teachers and introduces a range of key concepts around social, emotional and mental health difficulties. A copy of the book is included in the delegate fee.

Keynote presenters and workshop leaders at the event will include internationally acclaimed writers on attachment and emotional development, including: Professor Paul Cooper, Professor Barry Carpenter, Dr Heather Geddes, Dr Janet Rose.
